## 描述

Private villa with 3 bedrooms, large living area, private pool.

Villa "Casa das Palmeiras" is located 2 minutes by car from the seafront, very close to Casa da Guia.

The villa comprises on the ground floor a large living area with a sitting area.

Bathed in light, this part of the house gives direct access through large windows to the garden and pool.

At the same level you will find a bathroom and a very spacious en-suite bedroom with a traditional fireplace.

The bathroom is nicely furnished, bright thanks to its large window, equipped with an Italian shower, a toilet, storage and a double basin.

On the 1st floor is a bathroom with Italian shower, natural light, storage, a basin and WC.

A little further on, the first bedroom has a built-in wardrobe, a window door with access to a balcony with a view of the garden.

The second bedroom is equipped with a built-in wardrobe, a large French window opening onto a large terrace.

The outside is just as pleasant. The swimming pool is bordered by the garden and by a terrace.

The environment is quiet, in a quiet place. Shops, restaurants, gym and bus stop are nearby.

Excellent investment for a main or secondary house, but also for long term or seasonal rental.
